

## **We love Spring**

We welcome Spring with a new premier this weekend and an Open Call for some extra performance shopping. We hope to see you either as spectators or as applicants responding to the following news

**OPEN CALL**

**The Performance Shop Open call for artists**

The Performance Shop pops-up this summer at the Athens and Epidaurus festival and it's looking for artistic works for its catalogue.

**The Performance Shop**

**NEW WORK**  
**NLE (Near Life experience)**

Death is the ultimate theatrical act since it is the epitome of transformation.

NLE the new creation by Lia Haraki is a solo performed by Rania Glymitsa at the Rialto theatre – Cyprus Dance Platform 2018

**REVISITED**

## **Evergreen**

Lia Haraki and Christodoulos Panayiotou remember their first collaboration, *Evergreen* (2003) in dialogue with Dimitris Chimonas.

They revisit the work with a different perspective, and they invite us to have a "backstage" sneak peak on a performance that still remains relevant.

In the framework of the project Blast from the Past: A retrospective to the future
