

Performance

By Katerina Paisi

“My child, I wish love is around you”

Friday 16th of March at 8.00pm-9.00pm

At E.KA.TE. building

(Peonos street 11, Nicosia Old Town)

!! Nudity contained !!

Come back, my little one.
Do you remember
the old days?

Come,
to the little house
where you were raised.

Come back,
to the sense of the true beginning,
to the smell of memory,

Love has always been here.
Waiting.

Born in China, though based in Cyprus, Katerina Paisi has an interesting perspective. Growing up on the island as an Asian female,

coming to be fluent in Greek and English, as well as in her native language,

has allowed her to continuously confront and question her identity and belonging, self and the reflection.

Studying Fine Arts at the University of Nicosia has given her opportunities to explore these questions in different ways.

She is experimenting mainly with performance, as she finds that the human body is a wonderful and powerful partner in art.

Her recent work includes performance pieces in different festivals and spaces.
